Dear Friends,

On Thursday, September 22nd the Starkville Foundation For Public Education will be hosting our second annual Music On The Green fundraising event. Open to the public, the evening provides family friendly musical entertainment and the opportunity to raise funds for the Starkville School District.

This year we are offering four levels of sponsorship that will help us make our goal of raising \$8,000 for student scholarships, teacher grants, and special school projects. Your tax deductible contributions will have a lasting impact on the families and employees in the district.

Whether it is national recognition of our faculty, an award winning high school music department, or outstanding student graduates, we believe the Starkville School District provides the very best experience for our children. The Starkville Foundation for Public Education was founded in 1989 by parents, educators, and alumni to encourage innovative programs and inspire student success. Thanks to the generosity of our SFPE donors and members, we have raised over \$130,000 for students, teachers, and schools throughout our district.

Starkville Foundation For Public Education is a 501 (c)(3) nonprofit organization and the tax exempt number to reference is 581895446.

Please mail contributions to:
