

Starkville Foundation For Public Education financially supports innovative and dynamic education that inspires and empowers the Starkville School District community through student scholarships, teacher grants, and graduate recognition.

Hello Starkville School District Families!

Our teachers have enthusiastically responded to Superintendent Holloway’s invitation to support the Starkville Foundation for Public Education with a \$10 per month donation through salary deduction. *Let’s match their spirit in supporting SFPE and the Starkville School District!*

Starkville Foundation For Public Education is a 501 (c)(3) organization that invests directly into the Starkville School District community. **We financially support innovation and excellence through funding student scholarships, teacher grants, and graduate recognition.** Your generosity provides increased opportunities for our students, teachers and schools. Help us accomplish our mission by investing in the Starkville School District now and in the future.

All donations are tax-deductible to the extent allowed by law. Donations can be made online at www.starkvillefoundation.org or by using the form below. **Let the Starkville Foundation for Public Education help you make a positive impact on the Starkville community!**
